

Dear parents/guardians,

We are so glad to announce the operation of our **“Future Summer School - 2024”**. The duration of our Summer School will be for 5 weeks **(from the 25th of June 2024 until the 26th of July 2024)** and is suitable for children aged **6-14 years**.

The activities that the children will be doing will be educational and entertaining simultaneously. Our goal is for the children to have a pleasant experience, combining music, dance, theater, and gymnastics, but also the experience of teamwork and cooperation!

Daily schedule:

- The arrival of the children should take place between **7:15 and 8:30 the latest**.
- From 7:15 until the start of activities, the children will be occupied in the Academy’s premises.
- It is recommended that children leave after the end of the activities, specifically from 13:30 and after. For any parents/guardians who would like their children to stay until 15:00 this is possible without any additional charge.
- Children who will remain at the school after 13:30 will have lunch and then play games, watch a movie or other activities.

Meals:

- There will be a break for breakfast each day where the kids will have to bring a healthy breakfast which can be stored in the Academy’s fridge.
- The lunch break will start at 13:30. It is recommended that any child who will be staying until late, should bring lunch with them or order food from the Summer School's catering partners.
- Lunch from catering partners will be available on request at an additional cost (further information will be sent to all registered participants in due course).
